Wednesday

We have just arrived
dear Mrs Maude, and I re-
ceive your kind letter -
I am very distressed to
think of having disturbed
Mr Goldsmith - when he
was ill - I hope he will
forgive me - and get over
his cold very soon -

Thank you for your
information; I am afraid

it is a despairing
task about Atlanta.

I came across an air
from it, which has taken
my fancy, and I want
to sing it at the Handel
Festival - and I wanted
to see an orchestra score
as I always wish to go
'au fin fond des choses' -
and I don't know now
how to get the orchestra
part. Breitkopf have
promised to help me
nonellos could do us.

thing! - Is it not a
bore! -
I am getting on with
the tour better than I
expected - my voice seems
rested after my enforced
rest - thank God -

We sing here tonight -
I hope dear Gwen is
as well as when she
came to see us - and
how pretty she is looking!

Kindest regards and
with renewed thanks
and my love -

Yours affly

G. Albani
