Dear Madam

I shall look
forward with interest
to hearing your telling
of my song, wh. has
not at present reached
my hands. With
regard to a notice of
it, & of the book

of children's toys -
these matters lie outside
my editorial province.
But if you will di-
rect that copies should
be addressed to the
Editor of the Daily
Telegraph, & mention
my name in forwarding
them, I have no

doubt the merits wh: they
know will not be overlooked

Yrs very faithfully
Edwin Arnold
