Dear M^{rs} Goldschmidt

I cannot thank you
sufficiently for your kindness in
choosing my daughter Paine.

She is heavily delighted with your
selection. For me ignorant as
I am of music. I shall associate
it always with the memory of
our close friendship. Thanks are
brief as it was. I feel peculiarly
precious - Pardon me if I am

touching the sacred ground.

But your ever present goodness
gives me an opportunity for
saying these few words. I hope I
am not presuming upon it.

Yours ever most gratefully

J A Froude [FROUDE]
