LOWER SYDENHAM, S. E.

Dear Goldschmidt,

I have not had
time to give me an ad-
dress in your very welcome letter
so I could not answer except
by your home as I am now doing

It was very kind of you to
give us such an exact description
and both my wife ^{and I} are deeply
X grateful for it and for the flowers.
I don't suppose I shall ever see
it again, but a large part of myself
is buried there with her.

I have written right and left
for votes for Parry and trust
they will be well. Unhappily I am
X his daughter's grave at Allassio
on the Cornice

LOWER SYDENHAM, S. E.

too busy to do more than write.
Hope to see you on Monday
at the voting.

Yours sincerely and
fatefully
