Lower Sydenham, S.E.

Nov. 12.

Dear Goldschmidt,

I flew to Hensel's
volumes direct I got home.

The statement about Madame
Goldschmidt's intimacy with
~~Jenny~~ the Hensels and Felix's
family is certainly there - page 325
note - vol. II. I will correct it if
you will tell me what to put.

Suppose we put after Jenny Lind,
"whom Felix first met in 1844 at
the house of Wichmann the sculptor in
the Hasenjäger Strasse and who
became one of his most valued friends"

It is necessary to put out the lines
as the ~~plate~~ type is stereotyped.

There got the fact right in the
