Dear Madame Goldschmidt
I must write a tiny
note to congratulate
you on the good lesson
Mr Goldschmidt has
given newspapers in
general, if the distance
was not so great I
should call and see you
it is such an age since

I had that pleasure—
We were so pleased
to see you looking so
well on Wednesday
at the Albert Hall.
I am very curious to
know what you think
of it, for musical
purposes. We hear

great things of your
Daughters voice.

Mr Sumner joins me
in kind regards to
Mr Goldschmidt and
yourself, and bids
me yours very sincerely

Wm Sumner
