SOUTH PARKS ROAD,
OXFORD.

Dear Mr Maude,

The book has
safely reached me &
I have already found
through some of the
ditties with great
satisfaction. Brava!
Best thanks for your gift.
As regards the article
on the organ, I have
some doubts as to
whether I shall be

able to fulfil my
promise to overhaul
it. In a week
or two I am off
to warmer climes
& shall be away
nearly 3 months !!!

Please do not call
me a turn-coat;
but I am sure
Sir Walter Parratt
would gladly do it,

able to fulfil my
promise to overhaul
it. In a week
or two I am off
to warmer climes
& shall be away
nearly 3 months !!!

Please do not call
me a turn-coat;
but I am sure
Sir Walter Parratt
would gladly do it,
