I am not
quite in my
senses before
Hueford is
over. my
health is so
uncertain, that
I really cannot
tell how one
day & the next

what will be my
fate - now I am
just up from a
severe cold - and
as makes me tremble
for Ruth - yet - I
will hope the best.
I should be most
happy to see you
near direct (telling
what we do after
Tuesday, I don't
quite know.

must go somewhere
for a change and rest.
I will probably
remain quiet at
home - and the
latter part of Septem-
ber - would suit
me best to receive
you for I hope
a good long visit
nicht etwa nur
einen Tag! —

Forgive this
awful scrawl
as it is just un-
rechnungs-fähig.

Yours very affectionately
