## INLEDNING

Dragon Records är ett svenskt grammofonbolag som bildades 1975 av Lars Westin och Jan Wallgren. Produktionen är koncentrerad till samtida svensk jazz, men även historiska utgivningar förekommer med svenska och utländska musiker och artister. Sedan 1982 har Dragon Records mottagit 14 stycken Gyllene skivan utmärkelser för årets bästa jazzalbum. Dragon Records totala utgivningar på CD och LP uppgår till ca. 400 titlar.

Material rörande Dragon Records hittar man också i Lars Westins arkiv som finns på Svensk visarkiv. Samlingen donerades till SVA i oktober 2016, där den är fritt tillgängligt för forskning.
